JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 6 September 1967

25X1 1. [ ] Spoke with Miss Dorothy Jones, Personal  
Secretary to Representative J. Edward Roush (D., Ind.), concerning a  
constituent inquiry on a "cooperative program sponsored by the CIA for  
college students." Personnel will initiate appropriate correspondence to  
STAT [ ] with a copy for Congressman Roush.

25X1 2. [ ] Met with Mr. John R. Blandford, Chief Counsel,  
House Armed Services Subcommittee, and reviewed with him a copy of the  
memorandum prepared for the Vice President concerning S. 1035. Mr. Blandford  
appreciated the briefing. I hope to discuss the matter further with him  
tomorrow. I briefed Mr. Blandford on last weeks' event in the IDEALIST  
program. He is interested in keeping in touch with this item as it develops  
further.

25X1 3. [ ] I met with Mr. Darrell St. Claire,  
Chief Clerk of the Senate, and reviewed with him rules of the Senate and  
procedures relating to the handling of legislation on the floor, and the recall  
of legislation by committees. In a word, it might be stated that somewhat the  
same debate and favorable vote of the members would be required to return  
a bill to committee, where a request by a committee chairman for unanimous  
consent for return of a bill had not carried, as would be involved in amending  
a non-essential feature of the same bill on the floor. In the view of many, the  
return of a bill to committee would imply a need or desire to pigeonhole the  
matter for the remainder of a session or Congress and would be objectionable  
too, for political reasons.

25X1 4. [ ] Met briefly with Mr. Stuart French, Senate  
Preparedness Investigation Subcommittee. Mr. French advised that Mr. Ben  
Gilleas was away from the office. I will attempt to see Mr. Gilleas during  
the day tomorrow concerning the review of classified transcripts which was  
approved by Mr. Kendall before his departure.
